

A close-up photograph of a hand holding a small, black ESP32 development board. The board features a prominent gold-colored module labeled 'ESP-WROOM-32' with 'CE1313' and 'FCC ID: 2AC7Z-ESP-WROOM32' markings. The main board is populated with various electronic components, including resistors, capacitors, and a USB Type-C port. The background is a blurred laptop screen displaying a website with text like 'Download for Windows 7/8/8.1/10 (6.7.0)' and a keyboard is visible at the bottom.
