

# Wait, what?

- Set of good practices and user experience - language / framework agnostic
- Platform independent (iOS\*, Android, desktop)
- Easy onboarding - no AppStore / GooglePlay, it's your existing web app
- **Offline, homescreen**

# Wait, what?

- Set of good practices and user experience - language / framework agnostic
- Platform independent (iOS\*, Android, desktop)
- Easy onboarding - no AppStore / GooglePlay, it's your existing web app
- Offline, homescreen
- **Instant updates across entire userbase**
