

How to: Prepare fastlane match

- `fastlane match appstore`
- Set proper provisioning in Xcode
- **`fastlane beta`**

```
[23:05:52]: Login to iTunes Connect (apps@wp-sa.pl)
[23:05:55]: Login successful
[23:05:56]: Ready to upload new build to TestFlight (App: 1352066915)...
[23:05:56]: Going to upload updated app to iTunes Connect
[23:05:56]: This might take a few minutes. Please don't interrupt the script.
[23:06:55]: iTunes Transporter successfully finished its job
[23:06:56]: -----
[23:06:56]: --- Successfully uploaded package to iTunes Connect. It might take a few minutes until it's visible online. ---
[23:06:56]: -----
[23:06:56]: Successfully uploaded the new binary to iTunes Connect
[23:06:56]: If you want to skip waiting for the processing to be finished, use the `skip_waiting_for_build_processing` option
[23:06:59]: Waiting for iTunes Connect to finish processing the new build (1.0 - 4)
[23:07:30]: Waiting for iTunes Connect to finish processing the new build (1.0 - 4)
[23:08:01]: Waiting for iTunes Connect to finish processing the new build (1.0 - 4)
[23:08:32]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:09:03]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:09:34]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:10:05]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:10:36]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:11:07]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:11:39]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:12:09]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:12:40]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:13:11]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:13:42]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:14:13]: Build doesn't show up in the build list anymore, waiting for it to appear again
[23:14:44]: Successfully finished processing the build 1.0 - 4
[23:14:44]: Distributing new build to testers: 1.0 - 4
[23:14:48]: Successfully distributed build to Internal testers 🚀
```
